

A Trusted Design-Build Partner

Founded in 1962, AGS is a custom architectural signage firm specializing in comprehensive interior and exterior systems for wayfinding, donor recognition, and interpretive exhibits.

Through proven project management processes, expert design facilitation, and high-quality signage products, AGS helps organizations balance form and function to stay on budget, meet deadlines, and achieve the best value for their objectives.

We're proud to be a partner of choice for prestigious educational institutions, healthcare organizations, corporations, residential living facilities, and other leading businesses.

Value-Added Visual Communications

Hundreds of high-performing organizations trust AGS to develop comprehensive visual communication systems that help visitors and staff navigate facilities with ease. Our on-site surveyors, planning experts, and designers work closely with internal stakeholders to achieve project objectives on an accelerated timeline for optimal results that can be adapted to meet future site needs.

Standardize company branding across sites with engaging signage programs that are aesthetically unique and functional. AGS sets the bar high for wayfinding materials and workmanship.
